

HAUSMANN INDUSTRIES, INC. :: SUGGESTED PRICELIST

Pricelist effective January 1, 2012

TERMS: Net 30 days, FOB Origin, Prepay and Add, tailgate delivered, unless otherwise specified. If your company defaults on any outstanding valid invoices, your company is responsible for .06% per day (21.9% per year) interest for all invoices 10 days past due.

SHIPPING: Unless exact shipping instructions are included with your order, manner of shipment will be our choice. Drop shipments will be made at your direction. Additional charges apply for inside delivery, lift gate, helper, residential delivery, limited access, etc.

3RD PARTY SHIPPING: Hausmann Industries has instituted a Service Charge for all 3rd Party billing, including LTL freight and small package shipments. Hausmann currently uses a limited number of carriers and by increasing the volume and frequency of additional carriers; it severely reduces our ability to move freight efficiently from our limited dock space on a daily basis. A minimum of \$20 will be charged for all LTL shipments that are routed 3rd Party with our designated carriers. The service charge will be \$30 if you are not using one of our designated carriers (Please call for current list or see our website). The service charge will be \$40 if you require any additional services, such as confirming actual weights & dimensions or piece counts, or handling of additional paperwork such as faxed/emailed carrier/3PL bills of lading. Hausmann reserves the right to schedule non-standard carriers once a week to limit the volume of trucks in our loading docks. **We will not release purchase orders to production without authorization to use our carrier, or having a 3rd party carrier specified.** Hausmann will not be responsible for filing claims or reimbursement for damage, concealed or otherwise, when a 3rd party carrier is used.

Hausmann currently uses UPS exclusively as our small package carrier. We will assess an \$8.00 service charge for all orders requested to ship UPS 3rd party.

LOSS OR DAMAGE: All shipments should be carefully examined upon receipt for damage or shortage and so noted on freight receipt. We assume no responsibility for loss or damage of merchandise in transit; any redress must be sought from the carrier. Prepaid shipments received with notation of damages are eligible for Hausmann courtesy filing.

ORDERING: Minimum net order \$75.00. Orders under \$75.00 are subject to \$10.00 service charge. Please specify catalog number, description (including colors and finishes where applicable) and quantity to avoid error.

AUTHORIZED RETURN: No merchandise may be returned for exchange or credit without prior written authorization. Authorized shipments must be prepaid, as collect deliveries will not be accepted. **All returns are subject to a minimum 20% handling and restocking charge.**

GENERAL: All orders will be shipped at prices that prevail on the date of shipment. We reserve the right to change without notice, construction and materials used in our products.

PEACE OF MIND WARRANTY: All Hausmann equipment has a 3 year limited warranty against defects in material and workmanship. Detailed warranty information available upon request.

QUICK SHIP PROGRAM (Q): Guarantees the shipment of a majority of products within 3, 5 or 10 working days. Subject to a maximum of (3) similar items. Excludes contract sales. To determine which equipment is Quick Ship; look for the truck icon in our current Hausmann and PROTEAM catalogs or under "Q" in this pricelist. Quick Ship items that are changed or cancelled prior to shipment are subject to a 10% rehandling charge.
